HOMEWORK – GOING DEEPER PRIVATE TIME QUESTIONS

Set aside some quiet time to be with the Lord. Ask Him to guide you as you reflect on the following questions. Record your answers in a journal or on separate paper.

- 1) In which areas of my life do my thoughts, emotions, words, or actions make agreement with the wrong kingdom? How can I better recognize the enemy's influence in my mind?
- 2) In which areas of my life am I truly living out of my heart, allowing God's Kingdom within me to influence my world (my sphere of influence) in a positive way? -- Thank you, Lord, for encouraging me and helping me to get better and better at that!
- 3) Am I believing or making agreement with any lies about myself that could be holding me back, either consciously or subconsciously? Are there any lies or chains holding me back from becoming the world-changer God created me to be? -- If so, Lord, what is the truth about those lies?
- 4) What specific things do you want me to do, Lord, to increase that heavenly flow from my heart to the world around me?
- 5) Lord, please show me one person this week who You want me to encourage. Please give me a picture or an encouraging word for them -- and the courage to step out as You partner with me. (We need to build one another up... pass it on!)
- 6) In business, we are taught about self-talk and affirmations. In church, we are taught about faith and declarations. Both understand the vital importance of your **mindset**. Repeat these words many times each day until they no longer sound or feel funny. Repeat them until they become part of your everyday thinking:

"I AM A WORLD CHANGER. I AM A WORLD CHANGER. I AM A WORLD CHANGER."
